

Gospel Primer

This 8-week study is designed to help cultivate a practical understanding of the Gospel and to grow in Gospel fluency – which is just a fancy term which means the ability to speak and demonstrate the Gospel as we live out the truth of our identity in Christ in the normal everyday rhythms of life.

These books are available through the church office. The church has paid the upfront cost of \$15/book. If you are able to help defray the cost of your book, that would be greatly appreciated. Simply note that the payment goes towards the book and place it in the offering plate. However, repayment is not required. These books are available to everyone.
